From the Team

Knitting has changes so much over the years. We now cater our yarns and ideas for all seasons and climates. As we venture into the warmer months of the year we look for patterns and ideas more suitable for our hot summer. I guess the trick to happy knitting during the summer months is to try to be cool and comfortable when you're knitting. Generally, no matter when you knit, if it's not for a special occasion, you're knitting garments for the cooler months.

In this issue, however, we have some great ideas that can be worn at any time throughout the year. So keep in mind, the yarns are generally lighter and the patterns more suitable for the hotter months. We hope there are some great ideas in this issue that can be knitted and worn even though summer is upon us. We have some great ideas this issue and we hope you enjoy the collection!

A new issue of *Australian Knitting* is on sale every 12 weeks, so keep an eye out at your local newsagent. Taking out a subscription will ensure you don't miss out on any issue, you'll enjoy savings and each magazine will be delivered directly to you.

We always enjoy hearing from our readers so please send us an email or letter. Please send emails to simon@wpc.com.au or mail to Woodlands Publishing PO Box 8035 Glenmore Park 2745.

Australian Yarn Shops and Studios to Checkout

If you are looking for that special hank of hand dyed Australian wool, take a look at Kaalund Yarns. This company stocks hand dyed silk yarns, exclusive hand woven accessories and much more. They do have shop located at Wavell Heights in Brisbane, Queensland. All their hand dyed yarns are dyed in Australia. Trading hours: Monday to Friday 9am - 5pm and Saturday 9am to 12noon. Phone: 07 3861 940 or see them online at:- <http://www.kaalundyarns.com.au/>

Dairing is another company to watch out for – founded in 2009 by Teresa Dair in Melbourne, Victoria. This is a knitwear design studio, which according to the website <http://www.dairing.com.au/> it is 'where craft meets design, and where knitting boundaries are explored'....

Purlwise (located in Comboyne, Nr Kendall on the Mid North Coast of NSW) is an online yarn store. Owner, Mark has been an avid knitter for over 20 years and with this store shares his love of knitting and beautiful yarns and makes it possible for those who do not have a local yarn shop to shop online from the comfort of their own home. <http://www.purlwise.com.au/>

Woolbaa is a wonderful store to visit or browse their good range of stock on their website <http://www.woolbaa.com.au/> This store offers yarns, accessories, workshops and more.

Home Front Woollies – WWI

During the First World War many Australians played their part and 'did their bit' for the war effort. Knitters from around Australia knitted so many different items for the troops including socks and balaclavas. These items were parcelled up and sent with other 'comforts' such as soap, writing materials and handkerchiefs.

According to the State Library of NSW website 'Amongst our collections relating to World War I is a knitting pattern for the grey sock, to be made and sent to soldiers at the front. The pattern came to us with the papers, photographs and objects of Irene Victoria Read, a community and charity worker, who first became

involved with the Australian Comforts Fund in 1915. She joined her husband in Cairo where he was a doctor with the No. 2 Australian General Hospital and was shocked by the lack of facilities for the men. She lobbied the Australian Comforts Fund to send supplies for their needs. She returned home later in the same year and became involved with the work of the Fund.'

If you fancy knitting some socks you can get a copy from this organization – 'Small instruction book for knitting soldiers socks (The Grey Sock: Soldiers' Sock Fund) in World War I, ca. 1915. Digital order number: a6086029'

Vintage Fashion Trends

by Susan Cordes

Whether you are new to knitting and crochet or an experienced and skilful knitter – looking at vintage patterns and of course the change in fashions can be a source of pleasure and inspiration. This edition of fashion trends looks back over the years at the knitwear, patterns and accessories that previous generations used.

The Roaring Twenties

This decade saw dresses with drop waists and this fashion seeped into the knitwear of the day with long line cardigans and sweaters that were often belted at the waist, whilst necklines were round, square or v-neck. Sleeves were usually simple in shape and drop shouldered or of the set-in design. Colours were pale and muted.

Men's knitwear during this period was mainly Fair Isle with Edward, Prince of Wales setting the trend in sleeveless pullovers.

Home knitting during this time was a major hobby, which had grown from the needs of WWI due to the conditions in the trenches, where there

was a shortage of socks! After the war companies expanded to meet the needs of home knitters and a plethora of patterns, yarn and tools arrived. High fashion designers also jumped on the bandwagon with Coco Chanel as a proponent of this style of knitwear.

Today if you wanted to achieve this look, the thing to aim for is the longer length (hip length), a loose fit, straight yet narrow sleeves and use a fine yarn. This style is an easy knit for beginners.

The Glamorous Thirties

With mass unemployment the result of an economic recession, knitwear and in particular hand knitted garments were a necessity. Fashion trends dropped the loose and straight lines of the 1920's and introduced detailed shaping and nipped in waists. This carefully shaped look came with a cropped length (to save on yarn) and often with a ribbed texture and short sleeves. Hand-knitted boleros were very popular as they could be utilised for day or eveningwear; the snood which is a type of fancy hairnet complemented any outfit of the day.

During this time every tiny length of yarn was saved and utilized by knitting things that were for their family or to sell to help with the family income. 1932 saw Vogue launch 'The Vogue Knitting Book'.

The Thrifty Forties

Styles for this era include high, round necklines, short, puffed, sleeves (a leftover from the 1930's) and a semi-

fitted look that sits just below the waistline.

During this decade hand knitting was at its zenith as women on the home front contributed to the war effort by knitting for the troops, with many knitting patterns were given away free.

Specialized patterns became available such as a balaclava helmet with earflaps so that it could be worn when using the field telephone/communications – there was even a pattern for mittens with a separate forefinger for firing a gun trigger in the cold. During the 1940's in Australia rationing was not as strict as in England, however rationing of clothing began on the 15th June 1942 and within this remit was hand knitting wool.

Museum Victoria has some fascinating information and original knitting booklets from the 1940's such as 'A Guide To Knitting For Australian Servicemen On Active Service' (January 1940). The booklet includes patterns for socks, pullovers, scarf, balaclava, mittens, caps, muffs and gloves for servicemen. It was printed by W.A. Hamer Pty Ltd, Peel St, North Melbourne. (Ref: www.museumvictoria.com.au)

Another interesting booklet from the Museum is 'The Lux Book' (1941) issued by Lever Bros Pty Ltd. This book contains a range of patterns for men, women, and children; the 'Lux Book Supplement' contains patterns garments including socks, service mittens, and a heavy service pullover. (Ref: www.museumvictoria.com.au)

Fact File

The term Sweater girl was made popular in the 1940s and 1950s to describe Hollywood actresses like Lana Turner, Jayne Mansfield, and Jane Russell, who adopted the popular fashion of wearing tight sweaters over a cone- or bullet-shaped bra that emphasized the woman's bust line. The term was virtually synonymous with "pin-up girl," a popular culture trope of the Second World War referring to the pretty girls whose pictures adorned soldiers' barracks.

The sweater girl trend was not confined to Hollywood and was viewed with alarm by some. In 1949 a Pittsburgh police superintendent even singled out the sweater girl as a symptom of the moral decline of postwar youth:

"Women walk the streets, their curves accentuated by their dresses," Superintendent of Police Harvey J. Scott said. "But our real problem is with bobby soxers. They are the sweater girls—just kids showing off their curves and apparently liking it. What kind of mothers and wives are they going to be?" (Ref: Wikipedia)

The Fabulous Fifties, The Sweater Girls, and Rock and Roll

The 1950's saw an explosion of fashion styles and designs. During this time – teenagers were the driving force of fashion for the first time. Prior to this, fashion trends had been set by fashion houses that catered for the adult market and tastes. A new affluence was in place and teenagers now had money they could spend on the latest fashions.

The fashions (and music) of the day outraged conservative parents. Rock and Roll brought with it full circular skirts in bright colours, trousers pinched at the waist, tight fitting blouses and sweaters worn with slim line Capri trousers, short ankle socks, neck scarves and cropped cardigans. Movie stars such as Marilyn Munroe and Grace

Kelly were often fashion role models for teenagers, with the 'Sweater Girls' – Lana Turner and Jane Russell showing off their assets!

The Swinging Sixties

This decade saw fashion styles embrace the relaxed and carefree look. Fashion changes are usually linked to social and political upheaval or change and the 1960's were no different, with women's role in the home and workplace changed women were now able to express their individuality and independence. Although Carnaby Street in London was 'the' place to be in terms of the 'swinging sixties' This was the time of 'Mods' and 'Rockers'. During the mid 1960's miniskirts and hot pants were worn across the world – including in Australia. Knitwear shouted geometric designs and monochrome colours.

British Supermodel Jean Shrimpton shocked the Australian public when she attended the Melbourne Cup

Carnival in 1965 wearing a miniskirt. By the end of the 1960's the miniskirt was firmly on the Australian fashion board.

Groovy Seventies

Platform wedges, flared denim jeans, and loud colour – that is the anthem for the 1970's. This decade has been called the 'Me' decade. It heralded the most individualistic time for fashion and the continuation of the mini skirt, bell-bottom trousers, and the hippie look. Society could not be shocked by current fashion trends anymore. Knitwear saw batwing sleeves, shoulder pads, jacquard designs, cowl necks, baggy sweaters, and fairly loud colours.

This decade saw teenagers emulating a raft of attractive, assertive, and powerful women film and television icons, such as Wonder Woman, The Bionic Woman, Charlie's Angels, and other role models such as Helen Reddy, Ita Buttrose, and Germaine Greer.

Dramatic Eighties

The 1980's saw minimalist fashion designs, with subdued colours, such as brown, tan, and orange. Knitted sweaters sported turtleneck, crew neck, and v-neck designs. This was the time of long scarves, beanies, puffer jackets, faux fur coats, velvet blazers, high waisted trousers, and embroidered jeans.

The Aerobic craze began – Remember Oliver Newton John in 'Lets Get Physical'? Knitted leg warmers were the craze along with knitted lace or fingerless gloves and knitted sweater dresses.

From the Eighties – to the present

Ok – so we have leapt a couple of decades! Today knitting is seeing a huge revival and although it never went away as a pastime, it is now more popular than ever. The myriad of yarns, patterns and accessories available to today's knitter is wonderful.

Fashions change throughout history, the need to knit whether as a hobby or to create a unique item prevails and has a good future. Long Live Hand Knitting!

- 5.00mm circular needle, 100 cms long
- Wool sewing needle
- 4 stitch markers

MEASUREMENTS

Size 35 cms square across stool top
50 cms tall including foam padding

SPECIAL ABBREVIATIONS

kw = knitwise; as if to knit

pw = purlwise; as if to purl

ssk = slip 1 st knitwise, slip 1 st knitwise, place left needle purlwise into slipped sts in front of right needle, knit both sts together.

kfb = knit into the front and the back of the stitch before taking it off the left needle: increases 1 stitch

pick up and knit or purl = insert right needle into loop along row edges (kw or pw depending on side facing), and pull through a new loop of yarn to form a knit or purl stitch

cast off purlwise = *p2tog, return the resulting st to left needle*, repeat from * to * to end of row, pull end of yarn through last st.

TENSION

17 sts by 24 rows over stocking stitch on 5.50mm needles, using Naturally Harmony 14 ply wool to 10 cm.

GETTING STARTED

Construction; top and sides

The stool cover is made in 4 colours in an entrelac pattern. If you wish to change the colours from those of the sample, the pattern is written with colour codes so you can substitute with the colours of your choice. Alternatively, using only 2 colours on the square top will give a woven look to the piece.

The sides are made after the top, picking up sts from the edges and working top down. A twisted cord threads through holes in the hem of the cover and secures it to the stool's legs.

The entrelac top square is made on straight needles (or you can use a circular needle, turning as if it was a pair); the sides are made in one piece, in the round.

Colours used in sample

A = white; B = fawn; C = brown

D = grey

WORKING PATTERN

TOP OF THE STOOL COVER

With 5.00mm needles and yarn in col C, cast on 36 sts loosely. Knit one row then begin entrelac pattern

as follows:

Line #1: base triangles

Worked from left to right along the line (if RS facing)

Using col C First triangle:

Row 1: WS - p1, turn.

Row 2: (RS). k1, turn.

Row 3: sl 1 pw, p1, turn.

Row 4: sl 1 kw, k1 turn.

Row 5: sl 1 pw, p2, turn.

Row 6: sl 1 kw, k2, turn Row 7. sl 1 pw, p3

Continue adding one more st on purl rows and always slipping the first st on every row, until there are 9 sts on the right needle, ending after a purl row. One triangle is now completed. Do not break off yarn; keep working with same yarn. Rpt pattern for first triangle three times more, separating the triangle just knitted, to the new one, by placing a marker on the right needle. Keep marker in place until a few rows have been worked, and it is clearer to see what you are doing. You now have 4 triangles of 9 sts each, on the right needle, and all the first row sts are used up.

Break off yarn and join/knot in col B.

Line #2: first line of diamonds

(including a filler triangle at each end)
Worked from right to left along the line (RS)

First filler triangle Using col B

Row 1: RS - k1, turn.

Row 2: p1, turn.

Row 3: sl 1 kw, k1, turn.

Row 4: sl 1 pw, p1, turn.

Row 5: sl 1 kw, M1 ssk (using 1 st from side of triangle of line below), turn.

Row 6: sl 1 pw, p2, turn.

Row 7: sl 1 kw, M1, k1, ssk, turn

Row 8: sl 1 pw, p3, turn.

Row 9: sl 1 kw, M1, k2, ssk, turn.

Continue, increasing after the first st of row and adding a st from the side of the triangle of line #1, until 9 sts are on right needle (ending after a knit row), and all sts are used from last triangle. Do not turn – stay on RS. Place temporary marker on right needle.

DIAMOND

Row 1: RS - pick up kw and knit 9 sts from the side of the triangle of the line below (begin into st that was used in ssk), turn.

Row 2: sl 1 pw, p8, turn.

Row 3: sl 1 kw, k7, ssk (with 1 st from side of next triangle from line below), turn.

Rpt last 2 rows, until all 9 sts from line below are worked, ending with a knit row. Do not turn.

Diamond is completed.

Continue in same way with same yarn, picking up kw and knitting 9 sts from side of next triangle from line below, and work another two diamonds, in the same way.

Finish the line with: Filler end triangle

Row 1: RS - pick up kw and knit 9 sts from line below beginning in the st after the ssk, turn.

Row 2: sl 1 pw, p8, turn.

Row 3: sl 1 kw, k7, k2tog, turn.

Row 4: sl 1 pw, p7, turn.

Row 5: sl 1 kw, k6, k2tog, turn Row 6. sl 1 pw, p6, turn.

Continue to decrease at end of knit rows until only 2 sts remain (after WS sl 1, p1). Turn to a knit row and break

off yarn, join/knot in col (D).
Work k2tog in col D. Slip last st to other needle and turn to continue.

Line #3: second line of diamonds

Worked from left to right along the line (if RS facing).

Using col D First diamond.

Row 1: WS - with one st already on needle pick up pw and purl a further 8 sts along side of triangle from line below, turn.

Row 2: sl 1 kw, k8, turn.

Row 3: sl 1 pw, p7, p2tog, turn.

Rpt last 2 rows until all 9 sts from last line's diamond's sts are worked, ending with a purl row. Do not turn. Place temporary marker on right needle.

NEXT 3 DIAMONDS

Pick up pw and purl 9 sts along side of diamond from line below, turn.

Row 2: sl 1 kw, k8, turn.

Row 3: sl 1 pw, p7, p2tog, turn.

Rpt last 2 rows until all 9 sts from last line's diamond's sts are worked, ending with a purl row. Do not turn. Place temporary marker on right needle.

Make two more diamonds in the same way, to complete the line (ie 4 diamonds total); turn to RS on the final diamond.

The pattern is now a repeat of line#2 and line#3 diamonds, but for "triangle of row below" read "diamond" where appropriate, and use the following colours in this order:

(Already completed: Line #1 triangles – col C

Line #2 diamonds – col B Line #3 diamonds – col D)

Still to be worked:

Line #2 diamonds – col A Line #3 diamonds – col C Line #2 diamonds – col B Line #3 diamonds – col D Line #2 diamonds – col A

Finish as follows:

Final line of triangles.

Worked from left to right along the line (if RS facing).

Using col C

With one st on left needle and WS

facing, pick up pw and purl a further 8 sts = 9 sts, turn.

Row 1: RS - sl, k8, turn.

Row 2: sl 1 pw, p7, p2tog, turn.

Row 3: sl 1 kw, k6, k2tog, turn.

Row 4: sl 1 pw, p6, p2tog, turn.

Row 5: sl 1 kw, k5, k2tog, turn.

Row 6: sl 1 pw, p5, p2tog, turn.

Row 7: sl 1 kw, k4, k2tog, turn.

Row 8: sl 1 pw, p4, p2tog, turn.

Row 9: sl 1 kw, k3, k2tog, turn.

Row 10: sl 1 pw, p3, p2tog, turn.

Row 11: sl 1 kw, k2, k2tog, turn.

Row 12: sl 1 pw, p2, p2tog, turn.

Row 13: sl 1 kw, k1, k2tog, turn.

Row 14: sl 1 pw, p1, p2tog, turn.

Row 15: sl 1 kw, k2tog, turn.

Row 16: sl 1 pw, p3tog, turn.

Row 17: k2tog.

Rpt last triangle 3 more times and finish by pulling end of yarn through last st.

Top square is now complete except for border edge.

MAKING UP

Optional: block, stretching and pinning piece out to dry, making sure that all edges measure equal (approx 33 cms).

TOP BORDER

With RS facing and the 5.00mm circular needle and col D "pick up and knit" 54 sts into the cast off edge. Place a

marker on the right needle and then rpt the process for the other 3 sides – use a different marker for the last one to show the end of the round = 216 sts

Work in the round as follows:

Round 1: purl all sts (slipping markers from left to right needle as you come to them).

Round 2: kfb knit to 2 sts before the marker, kfb, k1, slip marker. Rpt for other 3 sides = 56 sts per side, 224 sts total Round 3. Purl.

Break off col D, and now continue without more increases for the sides:

SIDES OF STOOL COVER

Note: pattern is given for colours as used in the sample – if you are running out of that colour of yarn

(hanks do vary in length), substitute as you see fit, but remember to leave at least 3.5 - 4 metres of yarn for each of the 4 cords needed to tie the cover to the stools legs.

Use a 5 mm circular needle to work the sides all together in the round. With colour B: Round 1. Knit.

Round 2: Purl.

Round 3: Knit.

Round 4: Purl. With colour C: Knit 6 rounds With colour A: Round 11. Knit.

Round 12: purl With colour D: Knit 8 rounds

Round 21: (holes for cords): k1, (k1, yo, k2tog) rpt to last st before marker, k1, rpt for other 3 sides

Round 22: Knit. With colour A: Round 23. Knit.

Round 24: Purl.

Round 25: Knit.

Cast off. Purlwise.

CORDS

Make 4 twisted cords to go in the holes at each side and tie the cover to the stool.

Cut 4 x 3.5 – 4 metre long pieces of yarn OR alternatively 8 x half this length – any of the 5 colours you wish. Take a length of yarn and make a cord like this:

Fold long length in half (or tie two of the shorter lengths together) and knot the 2 ends together. Anchor folded end to a hook or have a second person hold it. Twist the knotted end, until the yarn twists tightly and kinks. Holding the point which is midway along the twisted strands in one hand, bring the knotted end and the anchored end together and then #ick them together as you let go of the midway point. Knot both ends together to stop them unravelling and trim to about 2 cms fringe. Use the folded pointy end of your cord to thread through holes before knotting and cutting it to match other end. Place the cover over the stool and secure by wrapping the cords around the stool's legs and tying them tightly.

13 sts by 19 rows over Moss Stitch on 9.00mm needles to 10cm

GETTING STARTED

The fabric is created using two strands of yarn together on large needles. This pattern is worked on straight needles. A twist is made in the fabric before seaming. Jo Sharp's Mulberry Silk Georgette is super soft and suitable to wear against the skin.

WORKING PATTERN

Using 9.00mm needles, cast on 36 sts.

Row 1: *K1, p1; rep from * to last p1.

Row 2: *P1, k1; rep from * to last k1.

These two rows form Moss Stitch pattern.

Continue in pattern until cowl measures 90cm in length. Width should be approximately 28cm. Cast off.

MAKING UP

Before joining the two ends with a seam, make a twist in the cowl. Use edge to edge stitch to create a flat seam.

MEASUREMENTS

Size Women's sizing: A, B

80 - 90 , 90 - 100 cm

Bodice circumference: 10 , 116 cm

Bodice length (back): 46, 56 cm

Sleeve length version 1: 36, 40cm

Sleeve length version 2: 40, 44cm

TENSION

Tension is given using combinations of yarns as specified in pattern. It is most important that both tensions are achieved. The Lace stitch tension may require a larger needle for some knitters.

Moss sections: 15 sts by 28 rows over

Moss st on 5.50mm needles to 10cm

Lace sections: 15 sts by 11 rows over

Lace Pattern Stitch on 5.50mm needles to 10cm

Note: Lace Stitch fabric, when laying flat alongside Moss stitch fabric will draw in slightly.

GETTING STARTED

The lace stitch is a repeat throughout without complicated variations. The bolero is worked in three rectangular sections, using lace or moss stitch and several colours.

MOSS STITCH

Row 1: K1, p1 across row.

Row 2: K the p sts and p the k sts of previous row.

Repeat these two rows.

LACE PATTERN STITCH

Row 1: K1, *yf, k2tog, rep from * to last st, k1.

Repeat row 1 for pattern.

WORKING PATTERN

SECTION 1

TOP BACK AND SLEEVES

It is most important to the success of this garment that the lace sections of the sleeves and top back are knitted at the correct tension. Most often, this

section is worked too tightly. The lace section should be open, loose and drapery. Tension should be no more than 15sts over 10cm. If tension is not loose enough, change to a larger needle for lace sections.

Colours Key – Version 1 (Version 2)

Note: colour change on back section is intentionally asymmetrical.

Using cols A (G) and 5.50mm needles, cast on 36(44) sts.

MAKE FIRST CUFF

Row 1: Using col D (J), Moss st to end

Row 2: Using col C (L), Moss st to end

Row 3: Using col A (G), Moss st to end.

Cont in patt and cols as set until length measures 9cm ending with a WS row.

Begin lace section for right sleeve

Next Row: Using col A (H) k1,*yf, k2 tog, rep from * to last st, K1.

Next Row: Using col C (M), K 1, * yf, k2 tog, rep from * to last st, k1.

Next Row: Using cols E and B (N and K) tog, k1, *yf, k2tog, rep from * to last st, k1.

Rep last three rows until length (from beg) measures 36(40) cm version 1 or 40(44) cm version 2 ending with a WS row.

Begin first part of back yoke in Moss st

Next Row: Using col A (H), Moss st to end.

Next Row: Using col C (M), Moss st to end.

Next Row: Using col F (J), Moss st to end.

Rep last three rows until length (from beg) measures 64(72) cm version 1 or 68(76) cm version 2, ending with a WS row.

Cont on yoke section then second sleeve in lace patt

Next Row: Using col A (G) k1,*yf, k2 tog, rep from * to last st, k1

Next Row: Using col C (L) k1,*yf, k2 tog, rep from * to last st, k1

Next Row: Using cols D and E (N and I) tog, k1,* yf, k2 tog, rep from * to last st, k1.

Rep last three rows until length measures 115(129) cm version 1 or 123(137) cm version 2, ending with a WS row.

Make second cuff

Next Row: Using col A (G), Moss st to end.

Next Row: Using col E (M), Moss st to end.

Next Row: Using col B (K), Moss st to end.

Rep last three rows until cuff measures 9cm.

Cast off in Moss st.

(124(138)cm version 1 or 132(146)cm version 2)

Sew sleeve seams

Fold Section 1 lengthwise and join sides, from cast on cuff edge towards centre for

36(40) cm - version 1 or 40(44) cm - version 2.

This leaves a 52(58) cm opening at centre of section (with a sleeve at each end).

Find 24cm central position of section 1 for collar placement

Place section 1 on a flat surface with opening to bottom. Place a marker 12cm to either side of centre point of bottom edge at front (or 14, 17 cm from sleeve opening each side).

This 24cm central space between the left and right front markers (A and B on diagram) will later be used to pick up centre back sts for collar. (Note: Moss section in centre of section 1 is asymmetrical).

SECTION 2 LEFT AND RIGHT FRONTS AND LOWER BACK

With RS facing using 5.50mm needles, Col A and C (G and M) starting at left front marker B, pick up 25(29)sts to left sleeve underarm seam, 70(80)sts across back to right sleeve underarm seam, 25(29)sts to marker A on right front (120(138)sts).

Next Row: Using cols A and C (G and M) tog, k1*yf, k2 tog, rep from * to last st, k1.

Next Row: Using cols F and D (N and I) tog, k1, *yf, k2 tog, rep from * to last st, k1.

Next Row: Using cols B and E tog or (H), k1,* yf, k2 tog, rep from * to last st, k1.

Rep last three rows until length measures 22(28) cm ending with a WS row using F and D (N and I). Cast off loosely knitwise using B and E tog or (H).

SECTION 3 COLLAR

With RS facing, using 5.50mm needles and col A(H), pick up 34(42)sts along right front row edge to marker A, pick up 42 sts along back neck to marker B and 34(42)sts along left front row edge.

Next row Using col C (M), Moss st to end.

Next row Using col F (J), Moss st to end.

Next row Using col A (H), Moss st to end.

Rep last three rows until collar measures 16cm, ending with F (J). Cast off loosely in Moss st using A (H). Press seams gently.

MAKING UP

Make I-cord belt Using 5.50mm double pointed needles cast on 7 sts with 751 Pebble. *Slide sts to right point of needle without turning work, k7. Repeat from * until tie measures 1.5m or required length. Cast off. Thread I-Cord through sides of garment at waist (not around back of garment) and tie at front.

GLOSSARY

BEGINNER'S TOOL KIT

PINS

Plastic-head pins are useful for checking tension and blocking out items. Pins with coloured heads are best because they do not get lost in your work.

ROW COUNTER

A row counter is helpful for keeping track of rows worked, particularly where increases, decreases or other kinds of patterning occur.

KNITTING NEEDLES

Knitting needles are made from plastic, aluminium or wood and come in varying lengths and widths. Straight needles come in pairs and doublepointed needles come in sets of four.

KNITTING BAG

A knitting bag is essential for those who like to knit 'on the go'. Not only is it a practical way to keep all your knitting paraphernalia together, it also helps keep the yarn clean and tangle-free.

CIRCULAR KNITTING NEEDLES

Circular needles have two working ends joined by a thin nylon wire. They are more balanced than straight needles and allow the weight of your work to rest in your lap.

KNITTING IN ELASTIC

Elastic yarn prevents sagging in cuffs, collars and waists. You can work it in with knitting yarn on knitted or crocheted garments.

TAPE MEASURE

A basic tape measure is essential for checking your garment measurements.

KNITTER'S NEEDLES

Knitter's needles need to have a large eye and a blunt point so they do not split stitches when sewing up your knitting.

STITCH GAUGE

A stitch gauge is a flat piece of metal or plastic with a ruler marked on one side and/or a window

cut out in the centre. It allows you to mark and measure easily and accurately.

STITCH HOLDER

A stitch holder is used to secure stitches not in use. You can also use safety pins for holding a small number of stitches.

Diagram 1

Diagram 2

CASTING ON

Casting on is creating a row of loops on a knitting needle to form the base row for your knitting. One of the most popular methods of casting on is the cable cast on. Form a slipknot about 25cm away from the end of the yarn.

Place the slipknot on a knitting needle and pull gently to secure. Hold this needle in your left hand. Insert the right-hand needle through the slip knot. Pass the yarn over the point of the right-hand needle (see Diagram 1).

Pull a loop through the slip knot with the right-hand needle (see Diagram 2). Place this loop on the left-hand needle and gently pull the yarn to secure the stitch. For the remaining cast-on stitches, insert the right-hand needle between the slip knot and the first stitch on the left-hand needle. Wind the yarn around the point of the right-hand needle. Draw a loop through and place this loop on the left-hand needle. Continue in this manner until you have cast on the desired number of stitches.

KNIT STITCH

Diagram 1

Diagram 2

Once you have cast on, you then knit into the stitches you have made to form the knitted fabric. Hold the needle with the cast on stitches in your left hand, with the loose yarn at the back of your work. Insert the right-hand needle from left to right through the front of the first stitch on the left-hand needle (see Diagram 1). Wind the yarn from left to right over the point of the right-hand needle (see Diagram 2). Draw the

yarn through the stitch to form a new stitch on the right-hand needle. Slip the original stitch off the left-hand needle, keeping the new stitch on the right-hand needle. To knit a row, repeat these steps until all the stitches have been transferred from the left-hand needle to the right-hand needle. Turn your work, transferring the needle with the stitches on into your left hand to work the next row.

PURL STITCH

Diagram 1

Diagram 2

The purl stitch is basically the reverse of the knit stitch. Hold the needle with the stitches on in your left hand, with the loose yarn at the front of your work. Insert the right-hand needle from right to left into the front of the first stitch on the left-hand needle (see Diagram 1). Wind the yarn from right to left over the point of the right-hand needle (see Diagram 2). Draw the yarn through the

stitch to form a new stitch on the right-hand needle. Slip the original stitch off the left-hand needle, keeping the new stitch on the right-hand needle. To purl a row, repeat these steps until all the stitches have been transferred from the left-hand needle to the right-hand needle. Turn your work, transferring the needle with the stitches on into your left hand to work the next row.

CASTING OFF

KNITWISE

Knit two stitches. Use the point of the left-hand needle to lift the first stitch on the right-hand needle over the second, and drop it off the needle. Knit the next stitch on the left-hand needle so that there are two stitches on the right-hand needle again, and repeat. Continue in this manner until all the stitches have been worked off the left-hand needle and only one stitch remains on the right-hand needle. Cut the yarn, leaving a tail and thread the yarn through the loop and pull it firmly to fasten off.

Diagram 1

PURLWISE

Purl two stitches. Use the point of the left-hand needle to lift the first stitch on the right-hand needle over the second, and drop it off the needle. Purl the next stitch on the left-hand needle so that there are two stitches on the right-hand needle again, and repeat. Continue in this manner until all the stitches have been worked off the left-hand needle and only one stitch remains on the right-hand needle. Secure this last stitch as described in casting off knitwise.

Diagram 2

SUBSTITUTING YARNS

If you substitute or spin a yarn for a project, you can compare the weight of the yarn to the project yarn by comparing wraps per inch. Wrap your yarn around a ruler for one inch and count the number of wraps. If you have more wraps per inch than the project yarn, your yarn is too thin; if you have fewer wraps per inch than the project yarn, your yarn is too thick.

KNITTING TENSION

Checking your knitting tension, that is, the tightness or looseness of your knitting, is important. To check your tension, cast on 30 stitches using the recommended needle size. Work in the pattern until your work measures 10cm from the cast on edge then cast off. You now have a "swatch". Measure your tension by placing a ruler over your swatch and counting the number of stitches

across and rows down (including fractions of stitches and rows) in 10cm. Repeat these measurements two to three times on a different parts of the swatch to check your measurements. If you have more stitches and rows than called for in the instructions, you should use larger needles; if you have fewer, use smaller needles. Check your tension again before starting your project.

PROVISIONAL CAST ON (INVISIBLE CAST ON)

Place a loose slipknot on the needle in your right hand. Hold the waste yarn next to the slipknot and around your left thumb. Hold your working yarn over your left index finger.

*Bring the needle forward under the waste yarn, over the working yarn, grab a loop of working yarn (Diagram

1), then bring the needle to the front, over both yarns, and grab a second loop (Diagram 2). Repeat from * until you have the desired number of stitches on your needle. When you're ready to work in the opposite direction, pick out the waste yarn to expose the live stitches.

Diagram 1

Diagram 2

Diagram 1

BACKSTITCH

This is the stitch most commonly used for joining knitted garments. With the right sides of your work together, pin the knitted fabric together with the edges even. The seam should be sewn one full stitch from the end of the row. One stitch should be worked over every row. Thread the yarn needle. Insert the needle through both layers and sew two stitches to the left then one stitch back to the right. Keep stitches at an even distance. Continue working from right to left in this circular motion. (Diagram 1)

TASSELS

Cut yarn twice the length of your desired tassel plus a bit extra for the knot. According to the desired thickness of the tassel, select a number of lengths of yarn. Fold the lengths of yarn in half over a crochet hook. On the wrong side, insert the crochet hook from the front to the back through the edge of the work. Grab the yarn and pull through and tighten. Trim the ends to the same length.

KNOTTED FRINGE

After working a tassel, take one half of the strands from each tassel and knot them with half the strands from the neighbouring tassel. Trim.

CROCHET CHAIN

Make a slip knot on your hook. Pass the yarn over the hook and catch it with the hook and draw it through the loop on the hook. Repeat, drawing yarn through the last loop formed.

DOUBLE CROCHET (DC) (US SINGLE CROCHET SC)

Insert the hook through the top two loops of a stitch. Pass the yarn over the hook and draw up a loop so that you have two loops on the hook (Diagram 1). Pass the yarn over the hook and draw through both loops on the hook (Diagram 2). Continue in the same way, inserting the hook into each stitch (Diagram 3).

HALF TREBLE CROCHET (HTR) (US HALF DOUBLE CROCHET HDC)

Pass the yarn over the hook. Insert the hook through the top two loops of a stitch (Diagram 1). Pass the yarn over the hook and draw up a loop so that there are three loops on the hook (Diagram 2). Draw through all three loops on the hook (Diagram 3).

TREBLE CROCHET (TR) (US DOUBLE CROCHET DC)

Diagram 1

Pass the yarn over the hook. Insert the hook through the top two loops of a stitch (Diagram 1). Pass the yarn over the hook and draw up a loop so that you have three loops on the hook (Diagram 2). Pass the yarn over the hook and draw it through the first two loops on the hook, pass the yarn over the hook and draw through the remaining two loops. Continue in the same way, inserting the hook into each stitch (Diagram 3).

SLIP STITCH CROCHET (SL ST)

Insert your hook into the stitch. Yarn over the hook and draw the loop through the stitch and loop onto the hook.

I-CORD

With double-pointed needles, cast on the desired number of stitches. *Without turning the needle, slide the stitches to the other end of the needle, pull the yarn around the back and knit the stitches as usual. Repeat from * until your work measures the desired length

PICKING UP DROPPED STITCHES

A dropped stitch can be picked up using a crochet hook and don't be put off by stitches that have unraveled several rows down into the work. To pick up knit stitches, insert the crochet hook into the dropped stitch, draw through the bar lying above the dropped stitch and pull it through the loop of the dropped stitch.
